

Advantage III Display

The new Advantage III Display from Crossville provides your customers with the ideal viewing and selection experience. With a compact footprint, yet room to display Crossville's extensive product offering, the Advantage III brings fresh styling and an up-to-date look to your showroom. This versatile display allows you to feature the product sample boards for Crossville's most popular and newest products and includes a convenient grid system for highlighting your favorite Envision panels*.

Program details for the new Advantage III include:

- 200 square feet of unpolished field tile or 100 square feet of polished field tile for showroom display
- Free directory listing on Crossville's website
- Two free Dolphin Splash registrations
- Compact unit measures 7.5' x 4.8' x 2.25'
- Automatic sample board updates
- Toll free Sample Express Helpline
- Lifetime Warranty
- Order item ADVIII-DIS-08

*Envision panels sold separately.
