-------------------	------------------	------

## Recommended Usage

Crossville porcelain stone products are recommended for interior walls and floors and exterior walls in both residential and commercial applications.

## Care and Maintenance

Regular cleaning is the best way to keep your porcelain stone looking new for years to come. Use clean, hot water (combined with a household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. No waxes or sealers are needed. More information regarding the care and maintenance of Crossville Porcelain Stone products is available at [www.crossvilleinc.com](http://www.crossvilleinc.com).

## Shade & Texture Index

Strong has a shade variation of V3

V1=Uniform Appearance  
V2=Slight Variation  
V3=Moderate Variation  
V4=Substantial Variation
