Unforgettable

Palais

Crossville captures the splendid stonework of the 18th Century French palaces in their Palais Collection. Designed to emulate the intricate artistry and architectural detailing found in the old imperial residences, Palais offers homeowners the majestic, Old World look of real stone in porcelain.

You Deserve to Live Like Royalty.

Go on, indulge yourself. Palais exudes all the splendor of real stone without the royal price tag. Palais comes in four naturally warm colors and can be assembled in endless patterns to create a dramatic point of interest in any room of your home. Consider inseting a fresco into a recessed wall to create an alluring piece of artwork or adorning a staircase to form the centerpiece of your main entry.

Recommended Usage

Palais is recommended for interior floors and walls and exterior walls in both commercial and residential environments.

Care and Maintenance

Regular cleaning is the best way to keep Palais tile looking good for years to come. Use clean, hot water (combined with a household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. No waxes or sealers are needed.
